Questo tessuto chambray è realizzato con ordito tinto da corda indaco e trama écreu naturale, spazzolato tramite una classica nappatrice. La miscela ben bilanciata di cotone americano, brasiliano e australiano, rendono questo tessuto frizzante e ruvido al tocco.

Tessuto di alto livello qualitativo, dall'eleganza senza tempo e dall'eccellente performance. Tecnicamente, viene realizzato con filati bouclé in Baby Alpaca, caratterizzati da tonalità mélanges, che muovono e danno valore al fondo del tessuto. Il caratteristico aspetto gonfio del tessuto è frutto di sapienti operazioni di finissaggio, quali follatura, garzatura e cimatura, che restituiscono un articolo di grande morbidezza, piacevolmente caldo senza essere troppo pesante.

Tessuto 'Cashmere Raw' ottenuto dal vello delle capre da cashmere nei colori originari, rigorosamente non tinti e dall'aspetto unito. I toni variano dal bianco al marrone e vengono miscelati tra loro per ottenere nuances di diversa intensità. Si possono ottenere così tessuti che giocano con intrecci e con l'alternanza di fili colorati dalla natura per ottenere disegnature raffinate e sfumature armoniose.
