La principale caratteristica di questo tessuto è la presenza di pregiata lana Mohair nella sua composizione.

Le lunghe fibre provenienti dal pelo delle Capre d'Angora, allevate senza maltrattamenti, donano al tessuto lucentezza ed eleganza, risaltando i colori chantilly e verde pastello scelti per la nostra collezione.

Il tessuto, inoltre, si presenta morbido e leggero al tatto ma anche caldo, una combo perfetta per capi d'elevata qualità.

Tessuto 'Cashmere Raw' ottenuto dal vello delle capre da cashmere nei colori originari, rigorosamente non tinti e dall'aspetto unito. I toni variano dal bianco al marrone e vengono miscelati tra loro per ottenere nuances di diversa intensità. Si possono ottenere così tessuti che giocano con intrecci e con l'alternanza di fili colorati dalla natura per ottenere disegnature raffinate e sfumature armoniose.
