FALL WINTER 24

WOMAN

Groundnext is a bold fusion of style, design and meaning. This line was created to explore the **parallel between** what is rooted in the **earth** and what the **future** represents. Next reminds us that despite the knowledge on what we find beneath our soles, it is important to remember the immensity that lies above our heads and what we might find in the future.
A deep connection between the past and the next generation.

***Groundnext** è una la fusione audace di stile, design e significato. Questa linea è stata creata per esplorare il **parallelo** tra ciò che è radicato nella **terra** e ciò che rappresenta il **futuro**. Next ci ricorda che nonostante la conoscenza di ciò che troviamo al di sotto delle nostre suole, è importante ricordare l'immensità che si trova al di sopra della nostra testa e ciò che troveremo in un futuro.
Una connessione profonda tra il passato e la prossima generazione.*
