FURLA PREFALL 24 TEXTILE COLLECTION

MILANO – NOVEMBER, 2023

THEMES & HIGHLIGHTS

The summerish and fall themes of PF2024 Leathersgoods Collection are fully represented in the Textile category which is even more linked to the materials and prints of the core business in order to give consistency to the lifestyle vision of the brand.

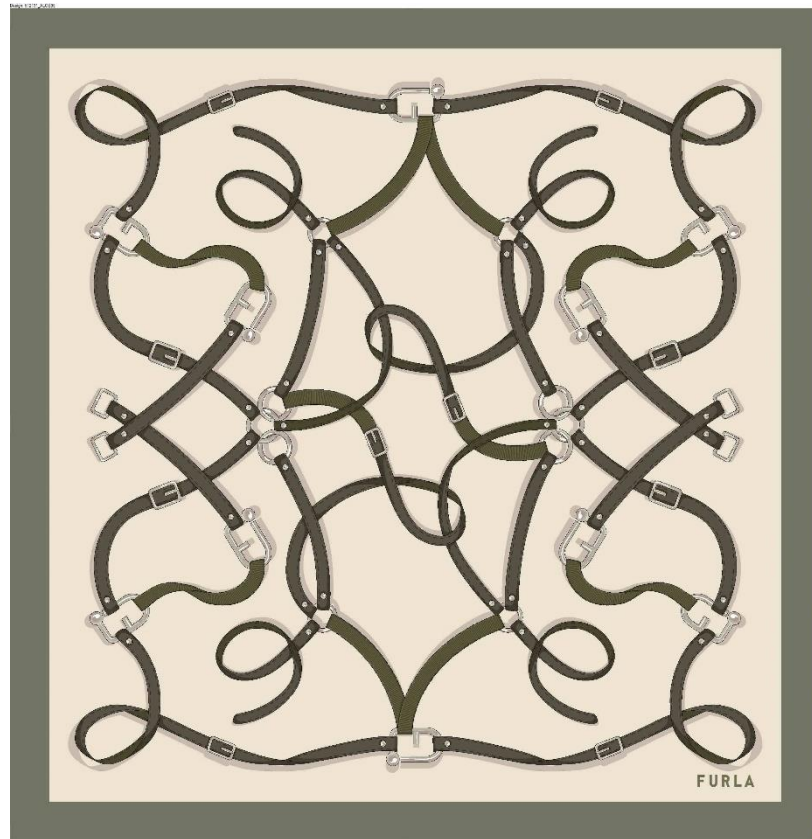

The key elements of this collection are:

- The arch sphere theme perfectly meets the silk accessories linking perfectly to the collection's color palette, creating a timeless story.
- The water camouflage print adds a shiny and colorful twist thanks to the funky texture material especially the stole, perfect for evenings occasions.
- The leathersgoods elements like straps and charms are always a part of the soft accessories print as main link to the core collection
- New items are also presented in the assortment:
 - ❖ The pareo so to be stylish even at the beach
