- Eracle grained leather

- Resin

- Canvas fabric+Roma smooth calf leather

- The core SLG line featuring the small Arch logo + Furla lettering personalization is presented both in pastel colors, like the corolla and the artemisia and vivid colors, like the giallo cedro and orizzonte. In addition, for this season a new beautiful nuance of brown, the brandy, joins the rich Furla colors family.
- A playful and original touch is given to the line thanks to three new seasonal animations: The Candy Metal calf leather, the synthetic patent leather and the piping on category P which mixes soft and contrasting colors.
- New roomy and trendy styles were added to the collection: a revised version of the successful micro vanity case that will perfectly fit Iphone 15 ProMax and finally a larger version of the best seller Medium cosmetic case.
