CHIC COTTON JERSEY +

JG000246D

MAIN FABRIC: 100% COTTON SECONDARY FABRIC: 100% POLYESTER
LINING: 82% POLYAMIDE / NYLON 18% ELASTANE / SPANDEX

Heavy cotton jersey made with twisted yarns.
The opaque mercherising process limits the classic
shiny effect mercherised jersey usually has.
We specifically wanted a heavier weight for this fabric
and a firm touch to give it an almost "light scuba"
effect.

Tessuto melton melange rivisitato: le caratteristiche del panno melton quali armatura a saia e trama nascosta dalla follatura, che rende la superficie liscia, sono rimaste intatte; ciò che si discosta dal classico melton è il finissaggio che ammorbidisce quindi rompe il corpo del tessuto così da renderlo sì compatto ma al tempo stesso caldo e dalla vestibilità confortevole. Arricchisce ulteriormente il tessuto l'intramontabile fantasia pied de poule.
